THE KICKOFF

By Barbara Ann Johnson

The football banquet last Wednesday was a big success. Coach Fox gave a very interesting talk and the meal was delicious. The senior members really seem proud of their sweaters. That's all we have seen for the past week—blue and white monogram sweaters.

The grades went to see "Cinderella" last Monday afternoon. I am sure they enjoyed it.

We hear Mrs. Gilbert's English 13 exam was a real killer. You juniors better take heed and study extra hard in English and be prepared for next year.

The bulletin board certainly does look neat since the SCA has set this as a project. Miss Allen's home room fixed it this week and it added much to our downstairs hall. Also, don't forget that the SCA is still grading rooms, halls, and the school grounds. Do your share to help keep them clean.

Our high school seems like a different school this week. With exams being taken everyone is walking around with his nose in a book, which naturally causes a difference. They were really tough.

Well, the bad weather this week hasn't stopped many students. A number of the rooms have had perfect attendance records. That is the way we want it to be.

The FFA boys had a father and son banquet Friday night in the cafeteria. The crowd was of good size and the banquet was enjoyed by all.

The scheduled basketball games for Wednesday night with Madison Heights were postponed because of bad weather. Don't forget games on Friday night at 7:30 at Concord.

To end my column this week, here is a joke I thought you might enjoy:

Susie: You're kidding. How could your brother play hookey from a correspondence school?

Sally: That's easy for him. He just mails them empty envelopes.

All those having March of Dimes collections are urged to turn in same at Farmers National Bank, to Miss Laura McFadden or G. B. Buchanan.
